Dear Colleagues,

We would like to draw your attention to the 4th International Workshop on Plasticity, Damage, and Fracture of Engineering Materials, which will take place in İstanbul on 24–26 September 2025. The meeting will be in a hybrid format, allowing participants to submit online contributions as well. The deadlines for abstract and full paper submissions are 1 May and 20 September 2025, respectively. The workshop will include invited lectures and participant presentations (oral or poster). The meeting and the publication of full papers in Procedia Structural Integrity are supported by ESIS.

The confirmed invited lecturer list is as follows:

Nima Haghdadi, Imperial College, UK
Surya Kalidindi, Georgia Institute of Technology, USA
Emilio Martínez-Pañeda, University of Oxford, UK
